

# TALENT FOCUS Recruitment

## YOUR PARTNER IN RECRUITMENT

We know the local job market well, and have an extensive network of high calibre contacts right across Australia.

### Permanent

Permanent recruitment solutions including at executive level, across Education, Healthcare, Supply Chain, Warehousing and more. Find the skills, talent and expertise you need for the long game.

### On-Hire

Casual hiring solutions for when you need it most. On demand and short term roles including temps, short term contracts and relief staff.

### Tender

Capabilities to provide structured and detailed responses to RFI's and tenders for government and private funded projects.

### Executive Search

Helping organisations secure experienced leaders for senior level management roles and executive positions across all sectors.

## One of the most experienced recruitment agencies on the Eastern Seaboard of Australia.

We have offices in Sydney, Brisbane and Melbourne, with recruitment support and service coverage across all states and territories. Talent Focus has a strong network of contacts spanning multiple industries including Education, Healthcare, Supply Chain, Warehousing and more.

Talent Focus have been providing exceptional recruitment services for almost 25 years. We have developed a reputation as the Recruitment Agency of choice, for both employers and candidates.

We are owned and managed by our locally based Senior Leadership Team, who are also highly experienced Recruitment Consultants. Our motto is to get it right first time, every time.
